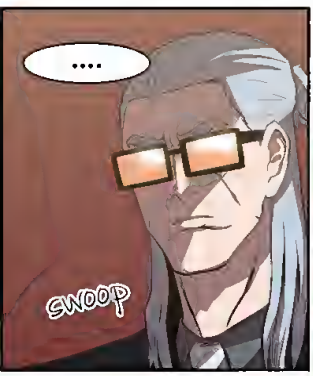
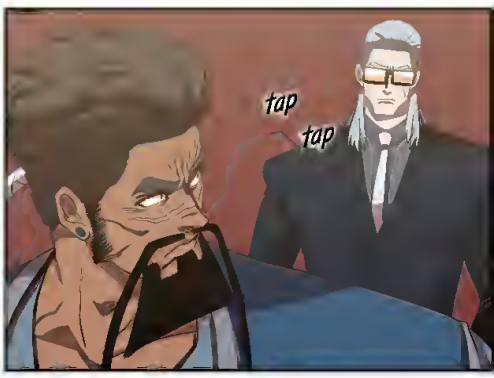
Sfx: press

I never doubted you for a minute.

This is why the people of Murim are scared of you.
So... what do I get...

for retrieving Eun Aran, Suksoo?
Sfx: Dududum





First of all, it must be kept top- secret that you and I are working together.

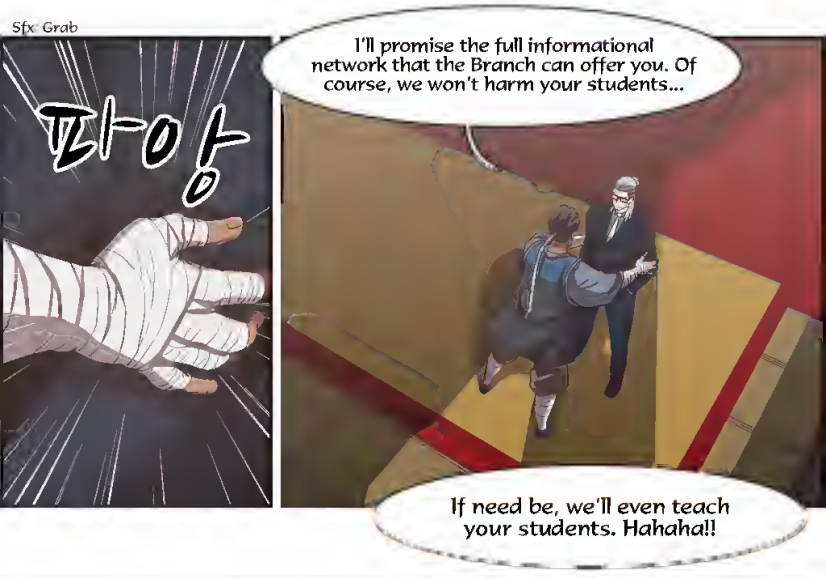
Sfx: Hmph

To form an alliance with the New Murim Alliance...

Sfx: Gets up

Is that all you've got?

....Of course, I'll have you write in detail that you won't harm the people of the New Murim Alliance.
Swear on Aran's Ki and your position as the Elder of the Branch Family...
Hahaha! I'll write that down for you right now!!
Sfx: Laughing



Sfx: Grab

I'll promise the full informational network that the Branch can offer you. Of course, we won't harm your students...
If need be, we'll even teach your students. Hahaha!!

.....

However, old man...
I'm sure you're aware that as long as the New Murim Alliance is a part of Murim,
you should know what will happen after we conquer it

...Of course I do.

By the way, The one you asked to take care of the kids turned out to be a spy for the Main Family

Kukuku... I expected nothing less from the Main Family. Their betrayal knows no bounds.

However, Aran is the balance in this new Murim world!

Sfx. Koong

A weight to tip the scale that's been stale for so long!!

With 500-year-old Ki it should be more than enough.

That's why you had him in your pockets all along, didn't you.

Even going as far as creating the New Murim Alliance.

...We'll take good care of Aran.

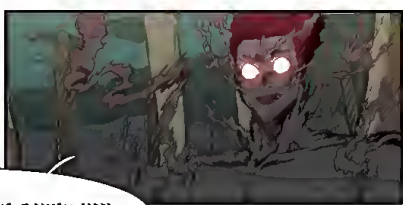
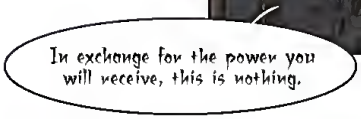
Fight through the pain, Avan.





In exchange for the power you will receive, this is nothing.

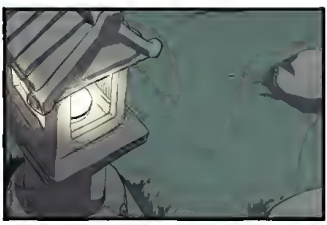
Kill.

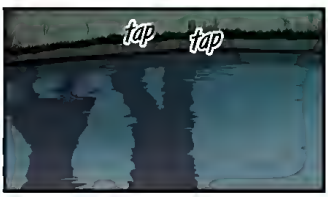
Kill more to help you forget about the pain. The stronger you get, the less pain you will feel.
Shut up and leave me alone...

Kill.

I TOLD YOU TO SHUT UP!

KWAAA





Sfx: Cut cut

Greetings, Elders.

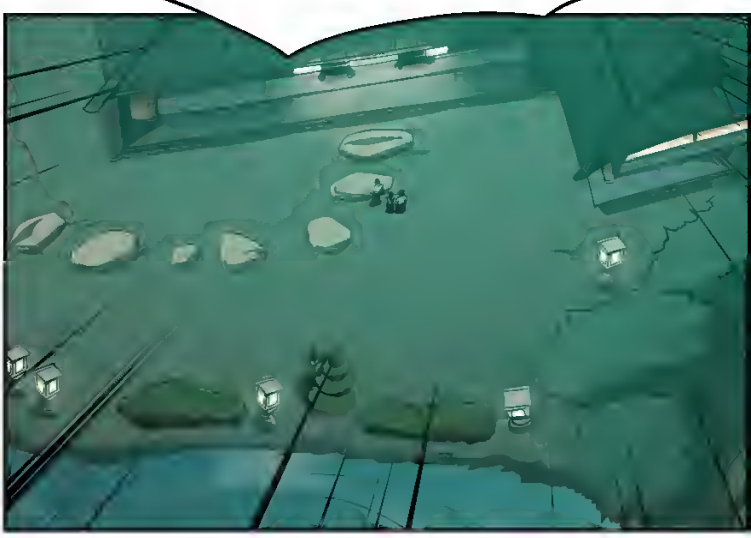
You sounded so boastful on the phone, yet now we see you kneeling before us with your head on the floor.
Kuku.... You might be an expendable one, no?

Eun Aran went on a rampage. He's nothing but an ordinary person who brings chaos wherever he goes.

However, I have a brief understanding of how the Grand Master transferred his Ki to him.

I just need a way to hold him still.
Then I'll just take Eun Aran's Ki and...
Extract it?
When your Grand Master risked his life to transfer it into this child?
You're a bold one. It is as you've said.The robots attack us and the Branch Family constantly threaten us...
If we lose the Grand Master's Ki, we will be greatly disadvantaged.
Thus, if we lose Eun Aran to the Branch we will be in a dire situation. We are not fools.

DO NOT SPEAK OUT OF TURN!!



Your words speak the truth. However, I cannot move the entire family based on your accusations.
You've already betrayed Suksoo, have you not?!

If you want to convince us, then you need to show us your loyalty!!
How can I prove my loyalty to you?!
I'll gladly lay down my life.
There's a simpler solution.
Capture Aran and transfer it all into that child!!
That is the only way you can prove to us that you are loyal!!
